

Rudolph the Red-nosed Seahorse

Rudolph the Red-nosed Seahorse,
Had a very shiny nose.
And you if ever saw it,
You would even say it glows.

All of the other seahorses,
Used to always be amazed.
They couldn't quite believe it,
What a long red nose it was.

Then one murky Christmas Eve,
Santa came to say.
"Rudolph with your nose so bright,
Won't you guide my sleigh tonight."

Then all the other seahorses,
Cheered and shouted out with glee.
Rudolph the Red-nosed Seahorse,
You'll go down in history!
